LUCE

# SHAPES OF LIGHT

LIGHT  
IS  
LIFE

## EMOZIONARE LO SGUARDO

“Il fascino della luce è il suo essere mutevole e inafferrabile, come la vita, ricca di sfumature e di sorprese, imprevedibile e per questo irresistibile.”

Per Modo Luce, illuminare significa emozionare lo sguardo, regalare nuove prospettive e tradurre l'illuminazione in forme dal design raffinato. Il nostro linguaggio è fatto di linee essenziali e abbinamenti originali. Forme e colori che mirano ad anticipare le tendenze si uniscono alla ricerca costante di tessuti e materiali innovativi, attenzione ai dettagli, qualità, libertà creativa e rigore produttivo, dando vita ad una grande varietà di modelli, tutti sinonimi di carattere, vivacità, vita.

### EN

#### AWE-INSPIRING

“The fascinating thing about light is its changing and elusive qualities, like life, full of nuances and surprises, unpredictable and therefore irresistible.”

For Modo Luce, lighting means inspiring awe in the observer, offering new perspectives and translating lighting into refined designer shapes. Our language consists of essential lines and highly original combinations. Shapes and colours that seek to anticipate trends are combined with on-going research into innovative fabrics and materials, attention to detail, quality, creative freedom and exacting production standards, to create a great variety of models, all of which are synonymous with character, vibrancy, life.

### FR

#### ÉMOUVOIR LE REGARD

« Le charme de la lumière c'est sa capacité à être changeante et insaisissable, comme la vie, riche en nuances et en surprises, imprévisible et en conséquence irrésistible ».

Pour Modo Luce, illuminer signifie émouvoir le regard, offrir de nouvelles perspectives et traduire l'éclairage en design raffiné. Notre langage est fait de lignes essentielles et d'assortiments originaux. Des formes et des couleurs qui anticipent les tendances et s'associent à la recherche constante de tissus et de matériaux innovants, sans jamais négliger les détails, la qualité, la liberté créative et la rigueur dans la production, le tout pour donner naissance à une grande variété de modèles, tous synonymes de caractère, de vivacité et de vie tout simplement.

### DE

#### LICHT ERREGT DIE BLICKE

„Der Reiz des Lichts liegt in seiner ungreifbaren Veränderlichkeit, wie das Leben, mit vielen Schattierungen, oft überraschend, unvorhersehbar und daher unwiderstehlich.“

Über das Licht will Modo Luce die Blicke erregen, neue Perspektiven schaffen und die Beleuchtung in raffiniertes Design verwandeln. Unser Ausdruck besteht aus minimalistischen Linien und originellen Kombinationen. Formen und Farben, die modische Trends vorwegnehmen, verbinden sich mit der Erforschung innovativer Textilien und Materialien, Sorgfalt in jedem Detail, Qualität, kreativer Freiheit und einer rigorosen Produktion. So entsteht eine Vielfalt von charakterstarken, dynamischen und lebendigen Modellen.

### ES

#### EMOCIONAR LA MIRADA

“El encanto de la luz y su esencia cambiante e insalvable, como la vida, llena de matices y de sorpresas, imprevisible y, por eso mismo, irresistible.”

Para Modo Luce, iluminar significa emocionar la mirada, regalar nuevas perspectivas y traducir la iluminación en formas de diseño elegante. Nuestro lenguaje está hecho de líneas esenciales y combinaciones originales. Formas y colores que pretenden anticipar las tendencias se unen a la búsqueda constante de tejidos y materiales innovadores, atención al detalle, calidad, libertad creativa y rigor productivo, para dar vida a una gran variedad de modelos, todos ellos sinónimos de carácter, vivacidad, vida.

## LA FORMA DELLA LUCE

“Design e abilità artigianale si contaminano per dare forma a suggestioni sempre nuove.”

La nostra identità si manifesta nell'estetica semplice e raffinata delle creazioni e nella cura dei dettagli. Made in Italy per Modo Luce non è solo un'indicazione geografica ma un concetto fondamentale che ne influenza la filosofia: una creatività progettuale dalle forme essenziali abbinata alla capacità sartoriale delle lavorazioni fatte a mano. Il risultato è una luce che non si limita a illuminare uno spazio, ma piuttosto a crearlo.

EN

### THE SHAPE OF LIGHT

“Design and craftsman's skill contaminate each other to give shape to ever new suggestions.”

Our identity is revealed in the simple, refined aesthetics of our creations and attention to detail. For Modo Luce Made in Italy is not just a geographical indication of origin but a fundamental concept that influences its philosophy: design creativity in essential shapes combined with the tailoring skill of handcrafted workmanship. The result is a light that is not confined to illuminating space, rather it creates it.

FR

### LA FORME DE LA LUMIÈRE

« Design et savoir-faire artisanal s'unissent pour donner forme à de nouvelles offres. »

Notre identité se manifeste dans l'esthétique simple et raffinée des créations et dans le soin que nous accordons aux détails. Pour Modo Luce le Made in Italy n'est pas seulement une indication géographique mais un concept fondamental qui influence sa philosophie : une créativité conceptuelle aux formes essentielles associée à un travail fait main. Le résultat est une lumière qui ne se limite pas à éclairer un lieu, mais plutôt à le créer.

DE

### DIE FORMEN VON LICHT

„Design und handwerkliches Geschick verbinden sich, um immer neuen Stimmungen Form zu geben.“

Unsere Identität zeigt sich in einem ebenso schlichten wie raffinierten Design unserer Produkte und in der Sorgfalt im Detail. Made in Italy ist für Modo Luce nicht nur ein geografischer Hinweis, sondern ein Grundsatz, der unsere Philosophie beeinflusst: kreative Entwürfe in minimalistischen Formen, verbunden mit dem handwerklichen Geschick bei den manuellen Bearbeitungen. Das ergibt ein Licht, das den Raum nicht nur erleuchtet, sondern ihn gestaltet.

ES

### LA FORMA DE LA LUZ

“Diseño y habilidad artesanal se contaminan entre sí para dar formas siempre nuevas.”

Nuestra identidad se manifiesta en la estética sencilla y elegante de las creaciones y en el cuidado en los detalles. Fabricado en Italia para Modo Luce no es solo una indicación geográfica, es también un concepto fundamental que impregna nuestra filosofía: una creatividad de formas esenciales en los proyectos, unida al carácter único de los trabajos hechos a mano. El resultado es una luz que no se limita a iluminar un espacio, sino que más bien lo crea.

## STILE OLTRE MISURA

“La luce non deve limitarsi ad illuminare, deve creare emozioni.”

Spaziamo tra forme, dimensioni e materiali diversi, rendendo le nostre collezioni versatili e funzionali per dare a tutti la possibilità di esprimersi attraverso la luce. Materiali diversi: tessuti, metalli, vetro e materie plastiche, illuminate con l'impiego delle nuove tecnologie illuminotecniche.

Tutti elementi che combinati tra loro permettono di adattarsi a vari stili e destinazioni d'uso. Lo studio tecnico ormai pluridecennale del prodotto e delle sue dinamiche, permette di progettare su richiesta forme customizzate anche non convenzionali.

EN

**IMMEASURABLE STYLE**

“Light must not be confined to illuminating, it must create emotion.”

We move between different shapes, dimensions and materials, creating versatile and functional collections to give people the opportunity to express themselves through light. Different materials: fabrics, metals, glass and plastics, illuminated with the use of new lighting technologies.

All elements that when combined, can be adapted to the various styles and intended uses. Decades of technical studies carried out on the product and its dynamics enable us to design customised, even unconventional, shapes, on request.

FR

**STYLE OUTRE MESURE**

« La lumière ne doit pas se contenter d'illuminer, elle doit créer des émotions. »

Entre formes, dimensions et matériaux divers, nous réalisons des collections versatiles et fonctionnelles afin d'offrir à chacun la possibilité de s'exprimer à travers la lumière. Matériaux divers : tissus, métaux, verre et matières plastiques, qui s'illuminent grâce aux nouvelles technologies liées à l'éclairage.

Autant d'éléments qui, combinés entre eux, permettent de s'adapter à différents styles et destinations d'usage. L'étude technique du produit et de ses dynamiques permet de concevoir, à la demande, des formes personnalisées parfois très originales, grâce à plusieurs décennies d'expérience.

DE

**STIL IN JEDER HINSICHT**

„Licht soll nicht nur beleuchten, sondern muss Emotionen erzeugen.“

Unterschiedliche Formen, Dimensionen und Materialien machen unsere Kollektionen vielseitig und funktionell, sodass jeder über das Licht einen individuellen Ausdruck finden kann. Diverse Materialien: Textil, Metall, Glas und Kunststoffe, die ihr Licht durch modernste Beleuchtungstechniken erhalten.

Die Elemente können verschiedentlich miteinander kombiniert werden, um sich unterschiedlichen Stilen und Verwendungen anzupassen. Die jahrzehntelange, technische Erforschung der Produkte und ihrer Dynamiken ermöglichen den Entwurf kundenspezifischer, auch unkonventioneller Formen.

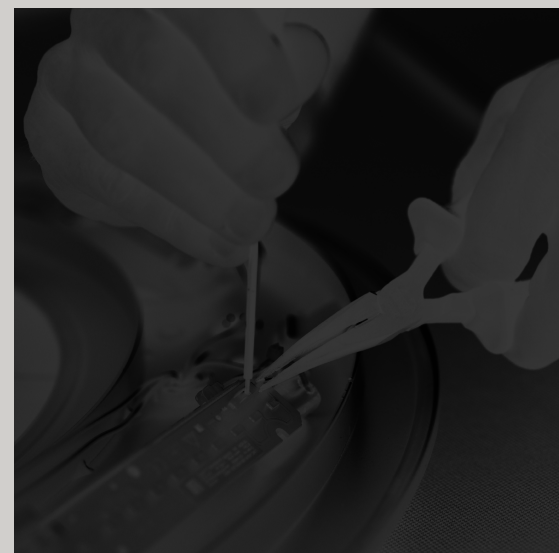

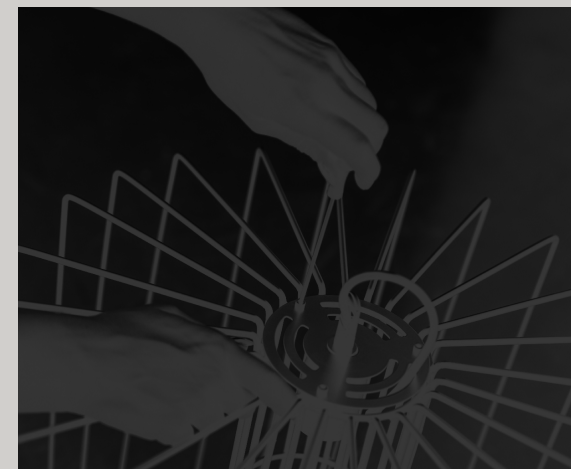

ES

**ESTILO EXCEPCIONAL**

“La luz no debe limitarse a iluminar, debe crear emociones.”

Nos movemos entre formas, dimensiones y materiales diversos y creamos colecciones versátiles y funcionales para que todo el mundo tenga la posibilidad de expresarse a través de la luz. Materiales diversos: tejidos, metales, vidrio y materias plásticas, iluminados utilizando las nuevas tecnologías luminotécnicas.

Elementos todos ellos que combinados entre sí permiten la adaptación a diferentes estilos y destinos de uso. El estudio técnico que realizamos del producto y sus dinámicas desde hace ya más de diez años permite proyectar a demanda formas personalizadas y no convencionales.

## LA DIMENSIONE DELLA LUCE

“La nostra è una galassia di connessioni e abbiamo un orizzonte aperto al mondo.”

La filosofia di Modo Luce è quella di creare un'illuminazione decorativa dallo stile contemporaneo. Illuminiamo con creatività gli ambienti living, portiamo tecnologia e performance negli spazi lavorativi e diamo soluzioni integrate al mondo contract. Abbiamo intrapreso un percorso di rispetto e sostenibilità ambientale, con una ricerca particolare sulle fonti luminose di nuova generazione che garantiscono efficienza energetica e lunga durata.

### EN

#### THE DIMENSION OF LIGHT

“Ours is a galaxy of connections and we have a horizon open to the world.”

The philosophy of Modo Luce is to create contemporary style decorative lighting. We provide creative lighting for residential settings; we bring technology and performance into workspaces and we provide integrated solutions for the contract sector.

As part of our drive towards respect for the environment and environmental sustainability, we are now carrying out special research into new-generation light sources that guarantee energy efficiency and long life.

Like light, our creativity and our talent never stop and have enabled us to achieve a global dimension with a network of consolidated partners that has acknowledged our value, our ability to propose ever new original and innovative solutions and our manufacturing and commercial reliability.

### FR

**LA DIMENSION DE LA LUMIÈRE**  
« Notre galaxie est faite de connexions multiples et notre horizon est ouvert au monde. »

La philosophie de Modo Luce consiste à créer un éclairage décoratif au style contemporain. Nous donnons de la lumière aux espaces domestiques avec beaucoup de créativité, nous transposons la technologie et les performances dans les lieux de travail et nous offrons des solutions intégrées clés en main.

Nous avons entrepris un parcours en faveur du respect de l'environnement en nous intéressant plus particulièrement aux sources lumineuses de dernière génération qui assurent à la fois une grande efficacité énergétique et une longue durée de vie.

Comme la lumière, notre créativité et notre talent ne s'arrêtent jamais ; cela nous a permis de développer une présence globale, à travers un réseau de partenaires solides qui ont reconnu notre valeur, notre capacité à imaginer des solutions toujours originales et innovantes, notre sérieux sur le plan à la fois productif et commercial.

Come la luce, la nostra creatività e il nostro ingegno non si fermano mai e ci hanno permesso di raggiungere una dimensione globale, con una rete di partner consolidati, che ne ha riconosciuto il valore, la capacità di prospettare sempre soluzioni originali e innovative, la serietà produttiva e commerciale.

### DE

**DIE DIMENSION VON LICHT**  
„Unser Licht ist eine Galaxie von Verbindungen und unser Horizont ist die Welt.“

Modo Luce will eine dekorative Beleuchtung im zeitgemäßen Stil anbieten. Wir beleuchten Wohnbereiche mit Kreativität, unsere Fähigkeit, immer originelle und innovative Lösungen anzubieten, unsere Effizienz und Fairness in Produktion und Vertrieb.

Wir haben einen Weg der Umweltschonung und Nachhaltigkeit eingeschlagen und setzen bei unserer Forschung auf Lichtquellen der neuen Generation, die effiziente Nutzung von Energie und lange Lebensdauer garantieren.

Wie das Licht, so kennen auch unsere Kreativität und Erfindungsgabe keinen Halt. So konnten wir eine globale Dimension erreichen, mit einem Netz bewährter Partner, die unseren Wert anerkennen, unsere Fähigkeit, immer originelle und innovative Lösungen anzubieten, unsere Effizienz und Fairness in Produktion und Vertrieb.

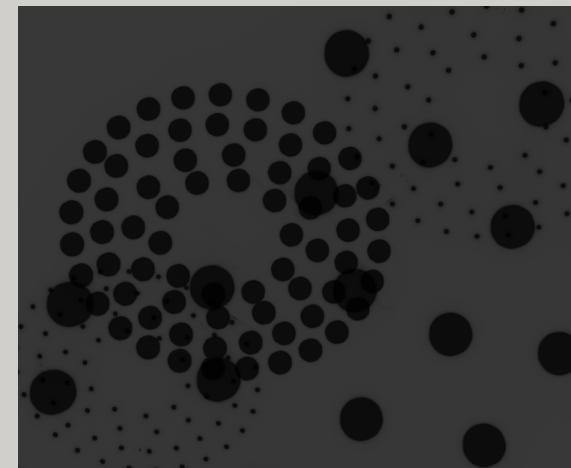

### ES

**LA DIMENSIÓN DE LA LUZ**  
“La nuestra es una galaxia de conexiones y tenemos un horizonte abierto al mundo.”

La filosofía de Modo Luce es crear una iluminación decorativa de estilo contemporáneo. Iluminamos con creatividad los ambientes habitacionales, llevamos tecnología y rendimiento a los espacios de trabajo y aportamos soluciones integradas al mundo contract.

Hemos iniciado un camino de respeto y sostenibilidad ambiental, con un estudio particular de las fuentes luminosas de nueva generación que garantizan eficiencia energética y larga duración.

Como la luz, nuestra creatividad y nuestro ingenio no se paran nunca y nos han permitido alcanzar una escala global, con una red de socios consolidados que han reconocido el valor, la capacidad de plantear siempre soluciones originales e innovadoras, y la seriedad productiva y comercial.

## ALCO

Vesti la luce di fascino e tecnologia con Alco, dove le linee avvolgenti sono rivestite da un morbido tessuto cucito con funzione anche di comfort acustico. Sospensioni o plafoniere di grandi dimensioni con un effetto scenografico dal forte impatto visivo.

Dress your light with the allure and technology of Alco's embracing shapes upholstered in soft stitched fabric, which also provides acoustic comfort. Large-sized pendant or ceiling lamps create a dramatic effect with a strong visual impact.

## ANGELICA

Un gioco di equilibri caratterizza la figura di Angelica, una lampada da parete o da terra che si slancia verso il punto focale, così da illuminare sempre il centro della scena. Ideale per creare atmosfere rilassanti nelle zone living, come negli ambienti pubblici.

An interplay of balances is the feature of the Angelica wall or floor lamp, which sweeps upwards towards the focal point, ensuring the centre stage is always illuminated. Ideal for creating relaxing atmospheres in living areas and public spaces.

## ATOLLO

Elementi luminosi in polietilene dalle forme circolari, adatti sia per spazi interni che esterni, rappresentano vere e proprie isole di luce dal candore schietto e riposante tipico delle spiagge tropicali. Atollo ti porta ogni giorno a sognare.

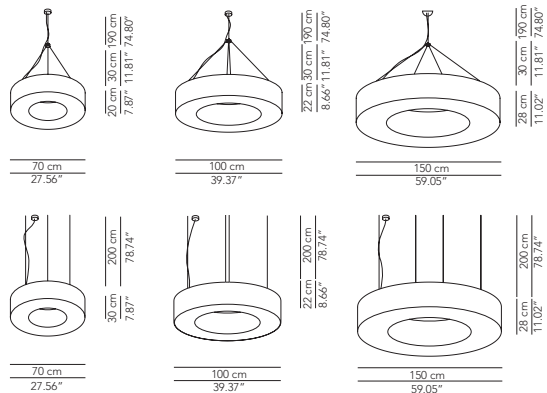

Circular-shaped polyethylene lighting elements suitable for both indoor and outdoor spaces create veritable islands of the bright, restful light typical of tropical beaches. With Atollo you will be dreaming every day.

## AURA

Morbida come la stoffa,  
solida come la roccia,  
Aura è la lampada  
da tavolo che combina  
elementi contrapposti  
in uno stile minimale.  
Tessuti e colori del  
diffusore si uniscono  
ad una base in cemento  
naturale o colorato  
in perfetta armonia.

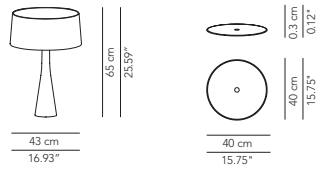

As soft as fabric yet as  
solid as a rock, the Aura  
table lamp combines  
contrasting elements  
in minimalist style.  
The lampshade fabrics  
and colours match with  
the natural or coloured  
concrete base, creating  
perfect harmony.

## BAOBAB

Fatti accogliere da una foresta di luci con Baobab, un vero albero stilizzato, in metallo verniciato, a tre o sei bracci, che può pendere dal soffitto o crescere da terra, per arredare con originalità e stupire lo sguardo.

Be welcomed by a forest of light with Baobab, a veritable stylised tree made of painted metal with three or six arms that can be hung from the ceiling or made to grow up from the floor, for highly original furnishings and stunning looks.

## BOLLA

Pensieri sospesi, fatti di trasparenze e colori, che affiorano appena appena. Sembra questo il racconto che Bolla fa di sé, coniugando materiali plastici e tessuti ai criteri minimalisti dello stile moderno, dove l'accento è posto su singoli ma decisivi dettagli.

Thoughts suspended, transparency and colour that surface fleetingly. This seems to be the story of Bolla, plastic and fabric combined with the minimalist criteria of modern style, where emphasis lies in the individual yet crucial details.

## CLIP

La luce come compagna e assistente nelle attività di ogni giorno e una linea metallica semplice, quasi impalpabile, ne traccia la sagoma. Questa è Clip, la lampada a sospensione che gioca con le simmetrie, perfetta anche come luce d'ambiente funzionale.

Light accompanies us and assists us in our everyday activities and a simple, almost imperceptible metal line outlines its profile. The Clip pendant lamp plays on symmetry and is also perfect as a functional room light.

## COCÒ

Illumina ogni luogo con il fascino e la grazia della danza che Cocò evoca. Tutto è un richiamo all'eleganza in questa lampada a sospensione: dalle forme ondulate che si rincorrono al plissé fasciato a mano che dona corpo e colore.

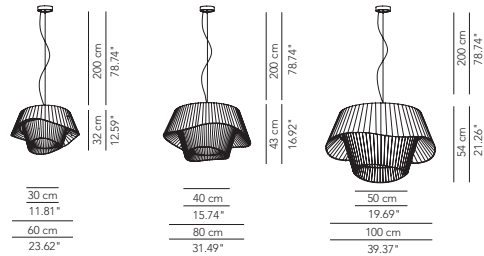

Illuminate each day with the charming, graceful dance that Cocò evokes. Everything about this pendant lamp speaks of elegance: from its continuous undulating shapes to the hand wrapped plissé, which gives it body and colour.

## DISK

Il design si nasconde nei dettagli: basta inclinare il disco in metallo basculante all'interno del paralume e cambi il fascio di luce. Un semplice tocco e la luce viene liberata nello spazio, per atmosfere sempre nuove e inattese.

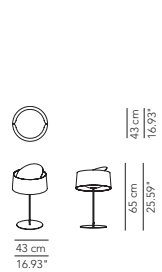

Design is concealed in the details: just incline the tilting metal disc inside the lampshade and the beam of light changes. One simple touch and light is liberated into space, to create ever new, unexpected atmospheres.

## ELLISSE

Le lampade a sospensione Ellisse evocano leggerezza e ariosità, giocano con pieno e vuoto, forme tonde e squadrate. Un continuo rincorrersi e mescolarsi di opposti che qui danno vita ad uno stile estremamente attuale, perfetto con il mood del momento.

The Ellisse pendant lamps evoke a sense of lightness and airiness with their interplay of full and empty volumes and round and square shapes. A succession and mix of opposites creates an up to the minute style, perfect for the mood of the moment.

## FLORINDA

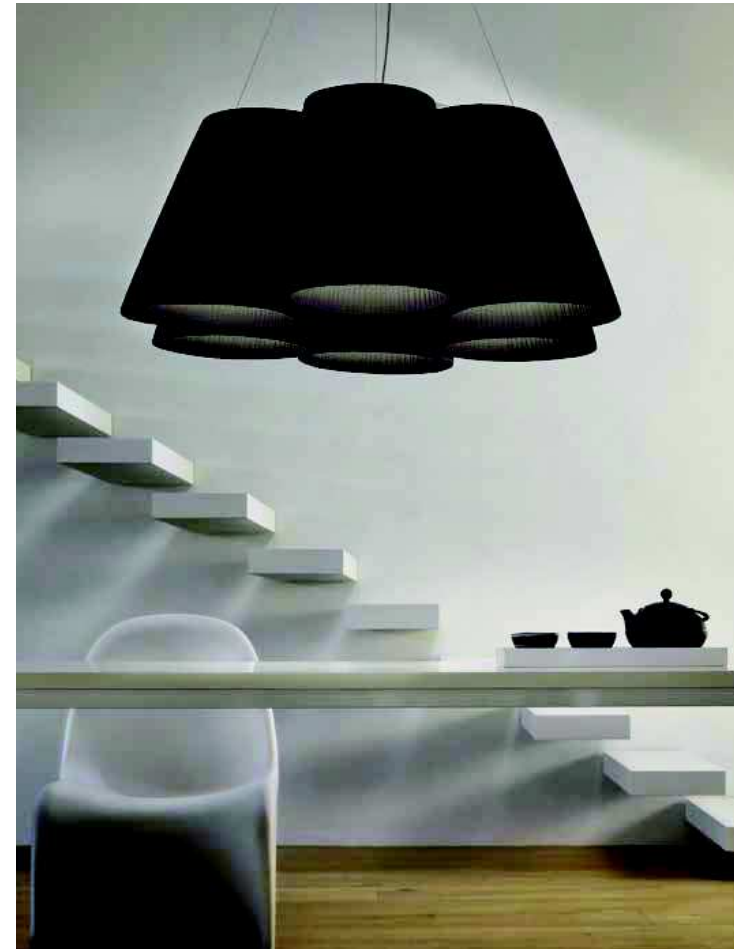

È sempre una fresca primavera dove c'è Florinda, i suoi petali sono di tessuto e il suo polline è la luce.

A sospensione, plafoniera, o a parete, puoi comporre il tuo personale bouquet di luce scegliendo tra tanti colori, dimensioni e corpi luminosi.

Florinda, with its petals made of fabric and its pollen made of light always brings with it a spring like freshness. Use the ceiling version of the pendant lamp or wall lamp to compose your personal bouquet of light, choosing from the many colours, sizes and luminaires available.

## HAMMER

Non fatevi ingannare dalle sue linee rigorose, con la sua luce LED discreta ma efficace e le forme contenute e affusolate, Hammer crea giochi di luce divertenti e movimentati. Tanti colori per altrettante soluzioni d'installazione.

Do not be deceived by its severe lines, its discrete but effective LED light or its restrained, tapered shapes, Hammer creates fun, dynamic interplays of light. A wide range of colours provides plenty of installation solutions.

## ICARO

Quando un'idea è forte non servono molti elementi per raccontarla, come in Icaro, dove è la struttura stessa in metallo a creare le ali spiegate che ci portano verso il cielo. La luce ne sottolinea la figura e si diffonde in modo omogeneo e morbido.

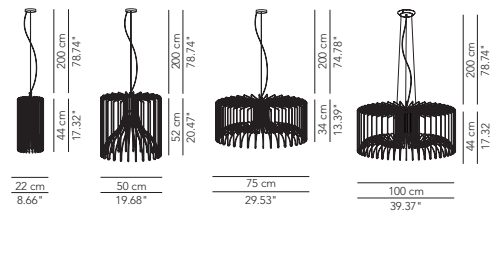

A powerful idea doesn't need many different elements, just like Icaro. The metal structure itself creates the displayed wings that carry us up towards the sky. Its shape is emphasised through light, which is diffused evenly and delicately.

## LOTO

Il colore assume la forma della grazia e diventa portatore di luce con Loto, una famiglia di lampade dove domina la leggerezza e allo stesso tempo la forza. Con il suo importante paralume in tessuto plissettato, si fa elemento di decoro.

Colour takes on a graceful shape and becomes a bearer of light with the Loto family of lamps, in which light weight prevails and becomes a source of strength. The impressive pleated fabric lampshade makes Loto a highly decorative element.

## MOOD

Un armonioso ritmo di proporzioni per un design futuristico, il grande diffusore centrale irradia la sua luce, la quale sembra concretizzarsi nel disco che lo circonda. Un vero e proprio raggio di colore che si diffonde in tutto l'ambiente.

A futuristic design with a harmonious sense of proportion, the large central diffuser irradiates light that seems to acquire substance in the disc surrounding it. A veritable ray of colour that spreads throughout the environment.

## MOOD DESNUDA

La luce nella sua essenzialità con il suo gioco tra pieno e vuoto e la bellezza delle proporzioni senza compromessi. Mood Desnuda regala un grande effetto scenografico pur mantenendo un'estrema leggerezza nelle forme.

Light in its most essential form with its interplay of full and empty spaces and the beauty of uncompromising proportion. Mood Desnuda creates a highly theatrical effect whilst maintaining extreme weightlessness.

## OMBRELLA

Lampada a sospensione e a soffitto in metallo verniciato. Lo scambio di riflessi e rimbalzi tra le due superfici sovrapposte illumina lo spazio in modo indiretto con una luce diffusa e accogliente.

Bask in pure light with the painted metal Ombrella pendant and ceiling lamp. The exchange of light reflecting and bouncing between the two overlapping surfaces illuminates space indirectly, creating a diffused, cosy light.

## ORB

In ottica gli Orb sono globi luminescenti enigmatici e arcani. Modo Luce li ha resi icone intramontabili, enfatizzando la forma perfetta e archetipica della sfera. Uno stile retrò e un design senza tempo incontra la tecnologia LED di ultima generazione.

In optics an Orb is a luminescent, enigmatic, mysterious globe. By emphasising the perfect, archetypal shape of the sphere, Modo Luce has turned it into a timeless icon. Retrò style and ageless design encounters new-generation LED module technology.

## OTTOVOLANTE

Lo sguardo insegue le linee serpeggianti di questa lampada, che illumina l'ambiente con luce diffusa.

Ottovolante gioca con i colori e con le forme, si fa moderno, elegante o sbarazzino, a seconda delle finiture scelte.

Gaze at the meandering lines of this lamp, which illuminates the environment with diffused light.

Ottovolante plays with colours and shapes, resulting as modern, elegant or jaunty according to the finishes chosen.

## PIN UP

Il corsetto è simbolo di femminilità allo stato puro e allora perché non farne un oggetto di design che unisce alla sua funzione principale, illuminare, quella di arredare e creare un angolo di sensuale bellezza. Una vera piccola opera d'arte pop in ceramica.

The corset is the symbol of femininity par excellence so why not use it to create a designer light that combines its main function, that of illuminating, with furnishing and creating an area of sensual beauty. A genuine ceramic masterpiece of pop art.

## REVERSE

Classico e minimale, Reverse è l'armonia delle proporzioni, impossibile non amarlo. Semplice, nel suo richiamo alla geometria del tronco di cono, elegante nelle finiture in plissé o cotone che letteralmente lo rivestono.

Classic and minimal, Reverse is harmony of proportion that's impossible not to love. Simple, resembling the truncated cone in geometry, and elegant in its plissé or cotton finishes, which literally clothe it.

## RIGHELLO

Sottili righe graduate sembrano scandire la luce e tracciare lo spazio. Righello illumina con rigore geometrico ambienti pubblici o residenziali con attenzione anche al benessere acustico dell'ambiente grazie al tessuto soft termoformato.

Fine graduated "ruler lines" that seem to measure light and space. Righello illuminates public or residential ambiances with geometric rigour, while the soft, thermoformed fabric ensures acoustic comfort in the environment.

## SESTANTE

Traccia la tua rotta e porta la luce verso nuovi orizzonti con Sestante, la lampada da terra e da parete, indoor e outdoor, che grazie alla “canna telescopica” orientabile e regolabile fino a 370 cm direziona il fascio luminoso dove vuoi tu.

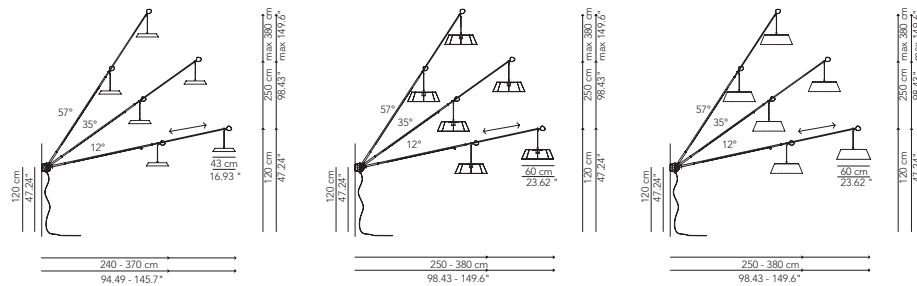

Plot your course and take light towards new horizons with the Sestante indoor and outdoor floor and wall lamps, which thanks to the swivel “telescopic rod” extendable up to 370 cm, directs the beam of light where you want it.

## LOST

Da terra o a sospensione, Lost è la lampada che, con la sua linea slanciata, rievoca totem propiziatori di antiche civiltà. L'aura mistica e ancestrale è ampliata dalla luce diffusa e dall'estrema pulizia delle linee, fasciate dal tessuto.

Whether as a floor or pendant lamp, the slim-line shape of Lost re-evokes the propitiatory totem poles of ancient civilisations. Its mystic, ancestral aura is broadened by the diffused light and stark clear-cut lines wrapped in fabric.

## LUCILLA

Luce d'atmosfera, forma semplice, non banale, costituita da una struttura in metallo che sostiene un paralume a forma conica in cotone o plissé. Nata per abbinarsi a qualsiasi ambiente, un vero passe-partout dell'eleganza.

Mood lighting with Lucilla. A metal structure supporting a conical cotton or plissé lampshade forms a simple but not trivial shape. Designed to match with any environment, its elegance makes it a veritable passe-partout.

## LUCILLA TONDA

Un sapiente gioco di rapporti tra volumi e la combinazione tra loro di figure geometriche classiche ha dato vita a tutta la linea Lucilla Tonda, dove il filo conduttore tra le varie lampade è il paralume cilindrico rivestito in tessuto.

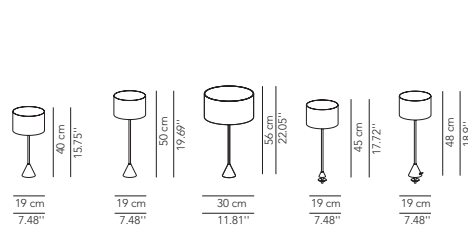

A skilful interplay of ratios between volumes and the combination of classic geometrical shapes led to the creation of the Lucilla Tonda line, where the leitmotiv uniting the various lamps is the fabric covered cylindrical lampshade.

## MILLELUCI

Questa sospensione si caratterizza per essere una variante dai dettagli più ricchi e dal tocco contemporaneo del paralume classico. La struttura conica del paralume è rivestita in tessuto e le dimensioni di questi corpi luminosi li rendono ideali per grandi ambienti.

The distinguishing features of these pendant lamps are the rich detail and the contemporary feel of the classic lampshade with its conical structure upholstered in fabric. Their sizes make them ideal for large spaces.

## RETTANGOLO

Per illuminare zone specifiche e mettere in risalto dettagli preziosi, puoi affidarti alle linee squadrate, grandi o piccole, di questa famiglia, dove il rettangolo è protagonista e lascia filtrare la luce attraverso il tessuto con cui è rivestito.

To illuminate specific areas and highlight precious details, you can rely on the straight-lined, square shapes, large and small, of this family, in which the rectangle reigns supreme and allows the light to filter through the fabric upholstery.

## RETTANGOLO SLIM

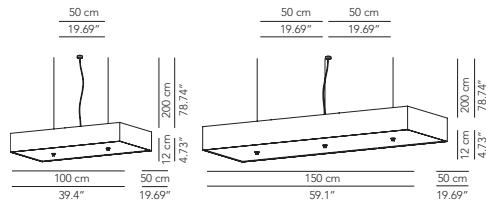

Una scatola, un cassetto dei ricordi, è questo che richiama alla memoria Rettangolo slim. Proporzioni riviste per donare alla tipica solidità dei parallelepipedi più slancio e proiettare con più leggerezza la luce negli ambienti.

A box, a souvenir drawer is what Rettangolo Slim brings to mind. The proportions have been reviewed to make the typical solidity of these parallelepipeds more dynamic and to create a more effervescent light.

## ROMEIO

La luce è un abbraccio d'amore allo sguardo e non conosce tempo. Il mezzo con cui si diffonde deve saper valorizzare quest'idea e per farlo, richiama le linee più semplici, eppure cariche di eleganza ed armonia.

Light lovingly embraces our gaze and knows no time. The means that diffuses the light must be able to exploit this idea using the simplest of designs, which must however ooze elegance and harmony.

## CAMPANONE

Come lanterne sospese nelle notti d'estate, ma anche come punti luce a terra che indicano la strada, Campanone nella versione outdoor mantiene le sue linee pulite ed un effetto luminoso diffuso.

As hanging lanterns on midsummer nights or ground lights that mark the way, the outdoor version of Campanone maintains its clear-cut lines and diffused lighting effect.

## ICARO

La struttura in metallo di Icaro è un richiamo alle ali spiegate che ci portano verso il cielo. Questa lampada dal design minimalista, diffonde la sua luce d'atmosfera anche negli spazi all'aperto.

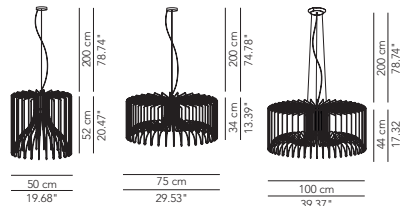

The metal structure of Icaro suggests displayed wings that carry us up towards the sky. This minimalist design lamp can also be used to diffuse mood lighting in outdoor spaces.

## ICARO BALL

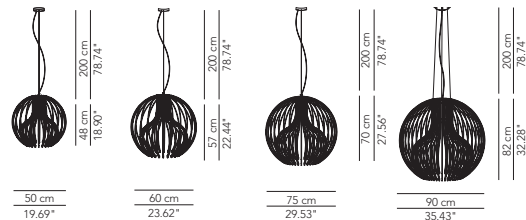

La fantasia vola con questa lampada disponibile in versione sospesa o da terra, dove lo stile industrial è portato ai massimi livelli e racchiude in sé la forza e la bellezza dei miti del passato anche in versione outdoor.

This lamp available in pendant and floor versions lets your imagination soar. Featuring industrial style stretched to the limits, the outdoor version also incorporates the strength and beauty of legends from the past.

## MOBY

Eleganza e stile si racchiudono nella forma affusolata che si slancia verso l'alto di Moby. Struttura metallica verniciata e diffusore in PMMA opale satinato, permettono di rendere la luce la vera protagonista della notte.

Elegance and style are captured in the tapered, upward-sweeping shape of Moby. The painted metal structure and satin-finish opal PMMA allow light to become the true protagonist of the night.

## SESTANTE

Non ci sono confini per le rotte che Sestante crea con la sua luce, esprimendo atmosfere inedite ed evocative. Flessibilità è la sua caratteristica principale poiché è orientabile, telescopica e inclinabile.

There are no boundaries to the courses that Sestante can plot with light to create highly original, evocative atmospheres. Flexibility is its main feature as it can be rotated, extended and tilted.

CARATTERISTICHE  
TECNICHE /  
TECHNICAL  
SPECIFICATION

**Sorgenti luminose**

I prodotti Modo Luce equipaggiati con attacco GU10, E14 e E27 vengono consegnati senza lampadine.

**Temperatura colore**

Le lampade Modo Luce equipaggiate con sorgente led vengono fornite di serie con temperatura di colore 2700K. Sono disponibili su richiesta anche le versioni 3000K e 4000K.

**Lumen**

L'indicazione del flusso luminoso si riferisce al valore in assenza di rifrazione, come dichiarato dal produttore del componente led.

**Legenda lampadine**

Lampadine utilizzabili sui prodotti Modo Luce (secondo i modelli).

Tipo / Type	Simbolo / Symbol	Attacco / Socket	Potenza / Power	Codice / Code

Led Dim		GU10	6W	LMPLEDE27GU10
		E27	10W/12W/17W	LMPLEE27GDO

**Light Sources**

Modo Luce products equipped with GU10, E14 and E27 are delivered without light bulbs.

**Color temperature**

Modo Luce led equipped products are supplied with 2700K light colour as standard version. 3000K and 4000K are available on request.

**Lumen**

Nominal luminous flux refers to the value without any refraction as declared by the led module manufacture.

**Legend light bulbs**

Light bulbs available for Modo Luce products (according to the models).

**Rosoni / Ceiling rose + Pendant lamp**

**Grado di protezione IP**

Indica il grado di protezione contro la penetrazione di corpi solidi e liquidi nell'apparecchio.

**Ingress Protection IP**

Designates the degree of protection against the penetration of solid and liquids bodies and contact with live parts.

**Protezione dai solidi / Protection solid bodies**  
First code IP

0	Non protetto / Unprotected
1	Protetto contro corpi solidi estranei di diametro 50 mm / Protected against the entry of solid bodies with dimensions of more than 50 mm
2	Protetto contro corpi solidi estranei di diametro 12,5 mm / Protected against the entry of solid bodies with dimension of 12,5 mm
3	Protetto contro corpi solidi estranei di diametro 2,5 mm / Protected against the entry of solid bodies with dimension of 2,5 mm
4	Protetto contro corpi solidi estranei di diametro 1 mm / Protected against the entry of solid bodies with dimensions of more than 1 mm
5	Protetto contro la polvere / Protected against entry of dust
6	Totamente protetto contro la polvere / Completely protected against entry of dust

**Protezione dai liquidi / Protection liquid bodies**  
Second code IP

0	Non protetto / Unprotected
1	Protetto contro la caduta verticale di gocce d'acqua / Protected against the vertical falling of water drops
2	Protetto contro la pioggia con un angolo di 15° / Protected against the falling of water with maximum inclination of 15°
3	Protetto contro la pioggia con un angolo di 60° / Protected against the falling of water with maximum inclination of 60°
4	Protetto contro spruzzi d'acqua / Protected against sprinklings
5	Protetto contro i getti d'acqua / Protected against water jets
6	Protetto contro i getti d'acqua potenti / Protected against heavy water jets
7	Protetto contro gli effetti dell'immersione temporanea / Temporary immersion proof
8	Protetto contro gli effetti della sommersione continua / Continually immersion proof

**Modo Luce – EELc Product List Global Energy Efficiency Label compatibility (EU Regulation 874/2012)**

Le informazioni qui riportate riguardanti le Classi Energetiche, non sono esaustive di tutti i tipi di lampadine effettivamente reperibili sul mercato europeo.

Gli apparecchi Modo Luce sono compatibili con lampadine che presentino l'etichetta energetica in conformità con il regolamento UE 874/2012.

Le etichette energetiche sono disponibili e scaricabili dal sito internet [modoluce.com](http://modoluce.com)

The below information regarding the energy efficiency classes are not including all the bulbs available on European market.

Modo Luce fixtures are compatible with bulbs having the energy efficiency label in comply with UE 874/2012 regulation.

Energy labels are available and downloaded from the website [modoluce.com](http://modoluce.com)

Tutti i nostri prodotti sono realizzati completamente in Italia.  
Modo Luce is made in Italy.

Modo Luce S.r.l.

Tutti i diritti riservati.

Il logo Modo Luce è un marchio regolarmente depositato in ambito nazionale ed internazionale di esclusiva titolarità e proprietà di Modo Luce S.r.l. L'uso di tale logo per scopi commerciali, senza il precedente consenso scritto di Modo Luce S.r.l. può costituire violazione del marchio e concorrenza sleale in violazione alle leggi statali.

Il presente catalogo è tutelato dalla legge sui diritti d'autore (legge 22/41941 N. 633) e dalla legge 14/12/1942 n. 1485: di esso è proibita ogni riproduzione totale o anche parziale.

I dati riportati su questo catalogo sono indicativi e non costituiscono impegno da parte della Modo Luce Srl, che si riserva di apportare tutte le modifiche e migliorie ai propri prodotti, in osservanza della normativa CE senza obbligo di preavviso.

In particolare la costante evoluzione e i continui cambiamenti della tecnologia LED influenzano anche i nostri prodotti. Modo Luce è alla continua ricerca nell'individuare le soluzioni tecniche più aggiornate per migliorare la qualità della luce e l'efficienza energetica. Di conseguenza i dati riportati nel presente catalogo possono subire variazioni. Vi consigliamo di consultare il nostro sito internet modoluce.com che sarà costantemente aggiornato con i dati tecnici.

La marcatura CE indica che il prodotto soddisfa gli obblighi di legge in merito alle Direttive Comunitarie Europee applicabili allo stesso.

I colori dei prodotti possono variare rispetto a quanto rappresentato nel catalogo e da lotto a lotto.

All products are entirely made in Italy.  
Modo Luce is made in Italy.

Modo Luce S.r.l.

All rights reserved.

The logo Modo Luce is a regularly registered trademark in the national and international context and is the exclusive property of Modo Luce S.r.l. Use of said logo for commercial purposes, without the written permission of Modo Luce S.r.l., can constitute infringement of trademark and unfair competition in branch of the state laws.

This catalogue is safeguarded by the law on copyright (law 22/41941 no. 633) and by the law 14/12/1942 no. 1485: all total or even partial reproductions of the catalogue are forbidden.

Data contained in this catalogue is purely indicative and does not engage Modo Luce Srl, in any way or any form. Modo luce reserves the right to make any technical and aesthetical changes to models without prior notice, in compliance with the European standard.

The constant evolution and the continuous changes of the LED technology influence our products in a particular way. Modo Luce is always trying to identify the most up-to-date technical solutions in order to improve light quality and energy efficiency. Consequently, the datasheet shown in this catalogue may undergo variations. We advise you therefore to consult our website modoluce.com provided with the regularly updated technical data.

The CE mark is your assurance that the product meets all the requirements prescribed by law, as contained in the European Community directives which apply to the products.

Product colours can differ from what is shown in the catalogue and from batch to batch.
