

## QUINTI SISTEMI, UNCONVENTIONAL OFFICE FURNITURE

SISTEMI DI ARREDO AUTENTICI CAPACI DI ANDARE OLTRE IL CONFORMISMO E DI TROVARE NELL'INDIVIDUALITÀ IL PRINCIPALE SEGNO DISTINTIVO. RICERCATEZZA E ARTIGIANALITÀ, ABBINAMENTI E CONTRASTI, LINEE PERFETTE E FORME INCONSUETE, TUTTO CONTRIBUISCE A CREARE LA NOSTRA PERSONALE VISIONE DEL LIVING.

THE FURNISHINGS ARE BORN FROM THE DESIRE TO CREATE AUTHENTIC SYSTEMS THAT ARE ABLE TO GO BEYOND CONFORMITY AND TO FIND THE MAIN DISTINCTIVE MARK IN INDIVIDUALITY. REFINEMENT AND CRAFTSMANSHIP, COMBINATIONS AND CONTRASTS, PERFECT LINES AND UNUSUAL SHAPES, ALL CONTRIBUTE TO CREATE OUR PERSONAL VISION OF LIVING.

LES MOBILIER QUINTI SONT NÉS DE LA VOLONTÉ DE CRÉER DES SYSTÈMES AUTHENTIQUES CAPABLES DE DÉPASSER LA CONFORMITÉ ET SE DÉMARQUER DANS L'INDIVIDUALITÉ. LE RAFFINEMENT ET LE MÉTIER, LES COMBINAISONS ET LES CONTRASTES, LES LIGNES PARFAITES ET LES FORMES INHABITUELLES CONTRIBUENT À CRÉER NOTRE VISION PERSONNELLE DE LA VIE.

## QUINTI, STORIA DI UN SOGNO ANIMATO DA GRANDE PASSIONE

Gli arredi Quinti nascono dalla volontà di creare sistemi autentici capaci di andare oltre il conformismo e di trovare nell'individualità il principale segno distintivo. Ricercatezza e artigianalità, abbinamenti e contrasti, linee perfette e forme inconsuete, tutto contribuisce a creare la nostra personale visione del living. Un processo di costante miglioramento alimentato dalla passione forte di uno staff giovane, competente e visionario.

The Quinti furnishings are born from the desire to create authentic systems that are able to go beyond conformity and to find the main distinctive mark in individuality. Refinement and craftsmanship, combinations and contrasts, perfect lines and unusual shapes, all contribute to create our personal vision of living. A process of constant improvement fueled by the strong passion of a young, competent and visionary staff.

Les mobilier "Quinti" sont nés de la volonté de créer des systèmes authentiques capables de dépasser la conformité et se démarquer dans l'individualité. Le raffinement et le métier, les combinaisons et les contrastes, les lignes parfaites et les formes inhabituelles contribuent à créer notre vision personnelle de la vie. Un processus d'amélioration constante alimenté par la passion forte d'un staff jeune, compétent et visionnaire.

## MATERIALI ED ISPIRAZIONI, RICERCATEZZA ED ESCLUSIVITÀ

La ricerca di soluzioni di arredo non convenzionali trova il suo fondamento nell'attività dello staff tecnico e nel rapporto con designer e progettisti. Roberto Baciocchi, architetto affermato a livello internazionale e da sempre grande sperimentatore e ricercatore di nuove modalità espressive, è il fulcro di queste attività. Creatività, ispirazione, ricercatezza ed esperienza lo rendono capace di sintetizzare in modo impeccabile ogni proposta di arredo Quinti.

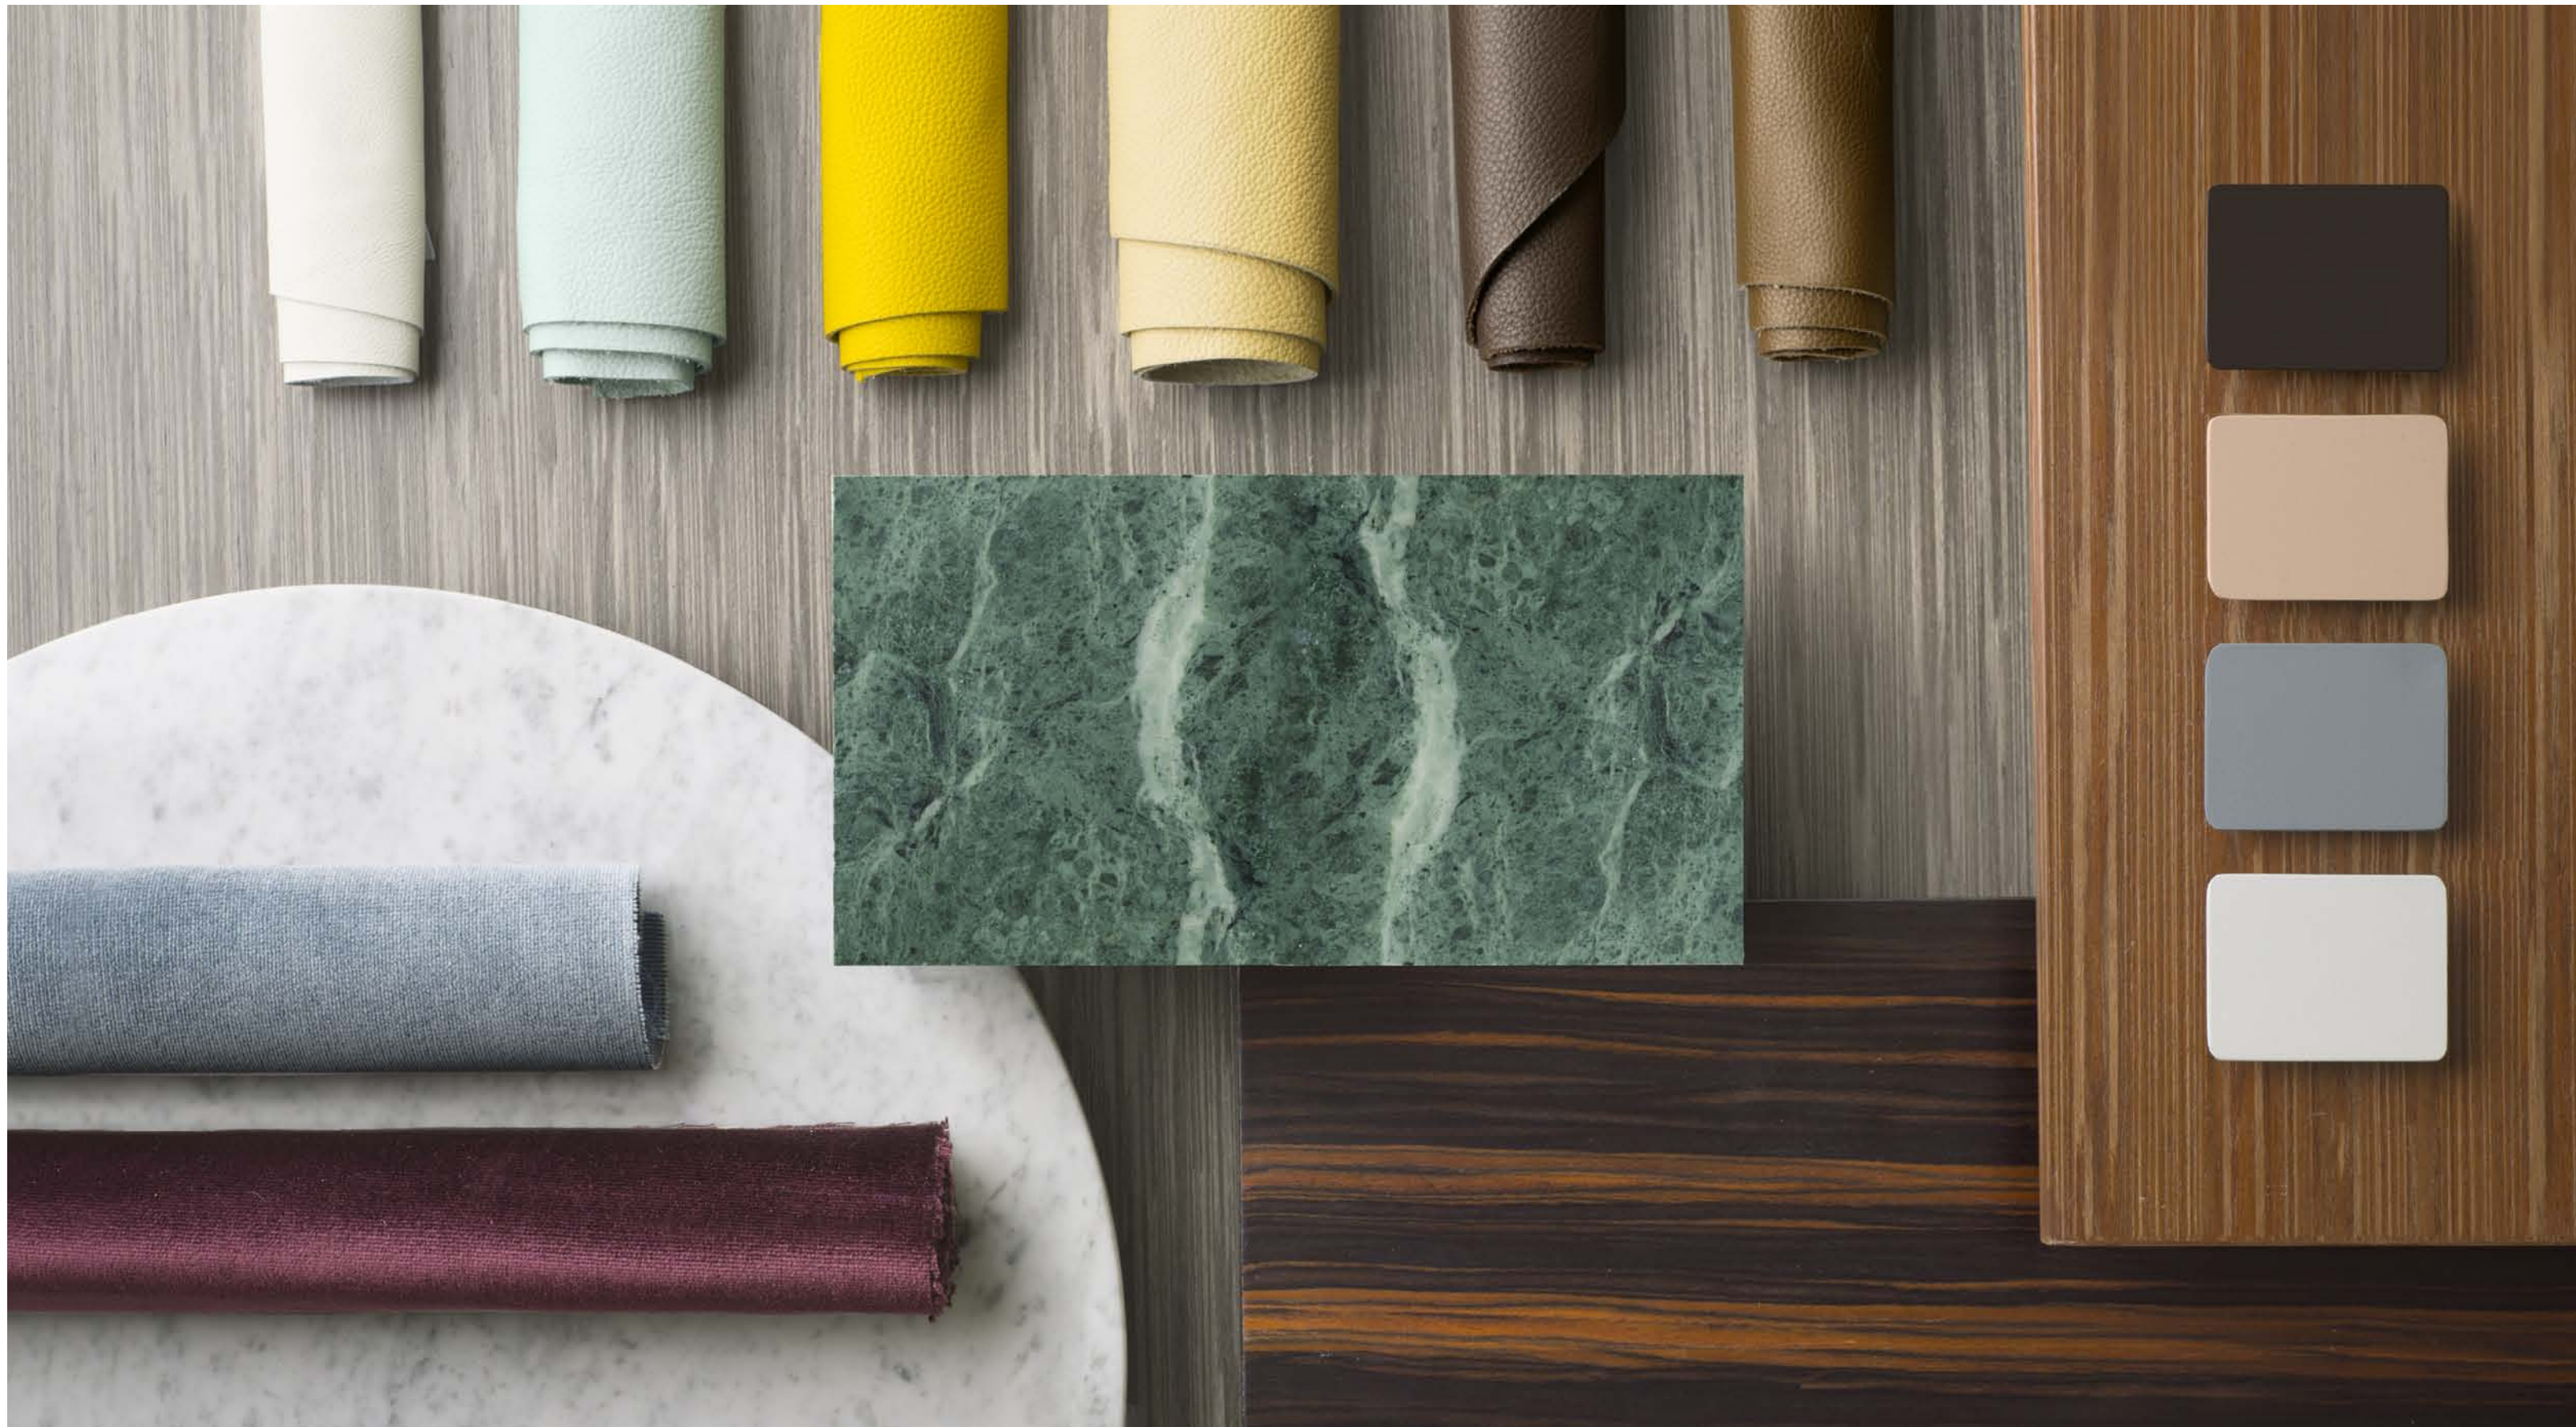

The search for unconventional furniture solutions finds its foundation in the activity of the technical staff and in the relationship with architects and designers. Roberto Baciocchi, internationally renowned architect and a great experimenter and researcher of new expressive formalities, is the centerpiece of these activities. Creativity, inspiration, refinement and experience make him able to synthesize in an impeccably way every Quinti furnishing proposal.

La recherche de solutions d'ameublement non conventionnelles trouve s'origine dans l'activité du staff technique et dans la relation avec les designer et les concepteurs. Roberto Baciocchi, architecte de renommée internationale, a toujours été un grand expérimentateur et à la recherche de nouveaux modes d'expression. La créativité, l'inspiration, et l'expérience lui permettent de synthétiser parfaitement toutes les propositions d'ameublement Quinti.

## ARTIGIANALITÀ, TRADIZIONE E CURA ESTREMA PER OGNI DETTAGLIO

I prodotti Quinti rispondono ai più elevati standard in termini di qualità, precisione e creatività. Realizzati su misura interamente a mano e controllati secondo rigorose procedure, le creazioni Quinti rappresentano esempi di artigianato made in Italy. Specialisti nella lavorazione di legno e metallo, esperti in pelle e tessuti, taglio e cucito e maestri di tappezzeria trovano la sintesi perfetta nei prodotti Quinti, unici per design, comfort e funzionalità.

Quinti products meet the highest standards in terms of quality, precision and creativity. Made to measure entirely by hand and checked according to strict procedures, Quinti creations are examples of craftsmanship made in Italy. Specialists in wood and metal processing, leather and fabrics experts, cutting and sewing, and masters of upholstery, find the perfect synthesis in products.

Les produits Quinti représentent les plus élevées standard en termes de qualité et de créativité. Réalisés sur mesure entièrement à la main et contrôlés selon des procédures strictes, les créations Quinti sont des exemples d'artisanat fabriqué en Italie. Les spécialistes du bois et des métaux, les experts du cuir et du tissu, les maîtres de la tapisserie et de la couture ils se rencontrent dans les produits. Quinti, unique pour le design et la fonctionnalité.

Quinti Sistemi è la più ampia gamma di proposte per arredare l'ambiente ufficio in modo elegante, rappresentativo ed esclusivo. Scrivanie, tavoli riunione, librerie e complementi racchiusi in programmi indipendenti fra loro e capaci allo stesso tempo di integrarsi in un unico grande sistema di arredo. Essenzialità, ricercatezza dei materiali e lavorazioni artigianali conferiscono alle proposte un carattere deciso e distintivo. Ogni soluzione Quinti Sistemi nasce intorno alle specifiche esigenze del cliente: dimensioni, tipologia di rivestimenti, abbinamenti cromatici e persino il colore delle cuciture possono essere indicati al fine di realizzare elementi di arredo davvero unici e ricercati.

Quinti Sistemi is the widest range of furniture able to furnish in an elegant, exclusive and representative way, the office environment. Desks, meeting tables, as well bookcases and several accessories are independently enclosed in different programs but able to integrate themselves, into a single and large system of furniture. Simplicity, research in the employed materials and the craftsmanship give to all the proposals an high and distinctive image. Each available solution in Quinti Sistemi arise around the specific necessity of our customer: dimensions, kind of coverings, chromatic combinations even the color of the stitching can be different in order to realize exclusive and researched elements.

Quinti Sistemi est la plus large gamme de propositions pour meubler l'environnement de bureau de manière élégante d'image et exclusif. Bureaux, tables de réunion, des armoires de rangements et accessoires enfermés dans des programmes indépendants les uns des autres et en même temps capable de s'intégrer en un seul grand système de meubles. Simplicité, choix des matériaux et de l'artisanat donnent aux propositions un caractère fort et distinctif. Chaque solution de Quinti Systems est construit autour d'exigences spécifiques du client: taille, type de revêtements, combinaisons de couleurs, et même la couleur de la couture peut être indiquée afin de créer des pièces uniques de mobilier et raffiné.

Un aspetto estetico ricercato ed elegante, una struttura solida che trova nella gamba il momento di maggiore enfasi stilistica. Prevista in essenza o rivestita la gamba dalla sezione quadrata e dalla forma originale, rappresenta l'elemento che caratterizza in modo univoco tavoli scrivania e tavoli meeting. I piani sono realizzati con sapiente maestria artigianale e conferiscono alle realizzazioni Firstclass raffinatezza ed esclusività. Firstclass adotta i sistemi di librerie Bookcase e Shelve oltre ai complementi per tavoli.

A refined and elegant aesthetic appearance, a solid structure that finds in the leg the moment of greater stylistic emphasis. Provided veneered or upholstered, the leg, with a square section and an original shape, represents the element that uniquely characterizes desk and meeting tables. The tops are made with skilful craftsmanship and give refinement and exclusivity to Firstclass creations. Firstclass adopts Bookcase and Shelve compositions as well as table complements.

**BARTOLO  
DESIGN M. MARTINI  
DRESSED BY  
ARCHITETTO  
R. BACIOCCHI**

Il design minimale e la struttura leggera caratterizzano i tavoli Bartolo. Il tubolare metallico di cm. 4x4 con cui è realizzata la struttura assicura robustezza ed eleganza. Le scrivanie sono previste in più misure nella versione rettangolare mentre i tavoli riunione presentano anche una soluzione quadrata. I tavoli sono studiati per essere collegati in linea, allo stesso modo è possibile integrarli frontalmente per ottenere postazioni multiple. Bartolo adotta le librerie Shelve oltre ai complementi per tavoli.

The minimal design and light structure characterize Bartolo tables. The metal tube of cm. 4x4 with which the structure is made ensures robustness and elegance. The desks are provided in several sizes in the rectangular version while the meeting tables also present a practical square solution. The tables are designed to be connected in line, in the same way it is possible to integrate them frontally to get multiple positions bench. Bartolo adopts Shelve bookcases as well as table complements.

**SHELVE  
DESIGN  
MIRKO  
QUINTI**

Shelve è la collezione di librerie metalliche dal design semplice ed essenziale. Le librerie realizzate con tubolare di cm. 3x3 sono disponibili in differenti altezze e larghezze e sono modulabili liberamente per ottenere composizioni di ogni dimensione. Il fianco previsto in versione finale e centrale conferisce robustezza e solidità ad ogni composizione. Le librerie Shelve risolvono le più diverse esigenze di organizzazione del lavoro e dello spazio, in qualsiasi contesto: dagli uffici operativi e direzionali, agli archivi, all'area lounge e contract.

Shelve is the collection of metal bookshelves with a simple and essential design. The bookshelves made of a tube-shaped structure 3x3 cm are available in different heights and widths and can be freely modulated to obtain compositions of any size. The side provided in the final and central version gives strength and solidity to each composition. Shelve bookshelves solve the several needs of work organization and space, in any context: from operational and executive offices, to archives, to the lounge and contract area.

Shelve est la collection de bibliothèques en métal au design simple et essentiel. Les bibliothèques réalisées en tubulaire 3x3 cm sont disponibles en différentes hauteurs et largeurs et peuvent être modulés pour obtenir des compositions de toutes tailles. Le côté conçu dans la version finale et centrale donne de la résistance et de la solidité à chaque composition. Les bibliothèques Shelve rencontrent les besoins les plus différents dans l'organisation du travail et de l'espace, dans tous les contextes: des bureaux opérationnels et executives, aux archives et contract.

## BOOKCASE QUINTI DESIGN

Il sistema di contenitori Bookcase è pensato per completare tutte le collezioni di arredo Quinti in modo semplice e creativo. Librerie dalla struttura essenziale ma capaci di esprimere con naturalezza un elevato valore materiale, visivo e tattile. Grazie all'ampia gamma di colori e rivestimenti. Ideale supporto per ogni ambiente di lavoro, la collezione Bookcase prevede una sola larghezza di base e due altezze oltre ad un pratico mobile di servizio. Un progetto che unisce libertà compositiva senza limiti, con il pregio della migliore artigianalità italiana.

The Bookcase storages system is conceived to complete all the Quinti's furniture range in a simple and creative way. The minimal structure of the storages are able to convey the high value of the employed materials, in a figurative and tactile way thanks to the wide range of colors and upholsteries. Adaptable in all working space, Bookcase collection is proposed with elements in only one width and two heights as well as a useful independent mobile credenza. A complete program, which combines essentiality and customizable compositions, using the value of the best Italian craftsmanship.

Le système de stockage Bookcase est conçu pour compléter toutes les collections de mobilier Quinti de manière simple et créative. Des bibliothèques avec une structure essentielle mais capables d'exprimer naturellement un haut niveau matérielle, visuelle et tactile, grâce à la large gamme de couleurs et de revêtements. Un support idéal pour chacun environnement de travail, la collection Bookcase fournit une unique largeur de base et deux hauteurs ainsi qu'un meuble de service. Un projet qui combine la liberté de composition et l'essentialité, avec le valeur du meilleur artisanat italien.

## COMPLEMENTI DI ARREDO QUINTI DESIGN

I complementi sono l'essenza della personalità. Oggetti nati in modo indipendente ed allo stesso tempo capaci di integrarsi alla perfezione con i sistemi di arredo. Specchiere, cassettiere, mensole, tavolini attesa, appendiabiti e cestini dal disegno contemporaneo e dalle forme originali. Materiali, finiture e dimensioni studiati per favorire l'inserimento in ogni progetto e per rendere ogni complemento funzionale, unico e personalizzato nel tipico stile Quinti.
