Designwerk nasce nell'ottica di poter sperimentare da vicino il vero lusso. Un'epoca in cui estetica, design e stile sono imprescindibili richiede un marchio la cui visione non preveda niente di meno che entusiasmare il mondo secondo tutte le regole dell'arte. E quindi leggenda vuole che per ciascuna specifica finalità debba essere realizzata la composizione perfetta tra i materiali più belli e gli spiriti creativi dei designer più talentuosi e che tale combinazione venga poi affidata alle sarte più dotate per trasformarsi in una collezione di mobili di prim'ordine che arricchirà il mondo. Designwerk, nata dall'amore per l'artigianato, per la qualità e la perfezione delle forme.

Designwerk was born with the aim of experiencing true luxury up close. An era in which aesthetics, design, and style are essential, a brand must have a vision that aspires to nothing less than thrilling the world according to all the rules of art. And so, legend has it that for each specific purpose, the perfect composition must be created blending beautiful materials with the creative spirits of the most talented designers, and that this combination is then entrusted to the most skilled seamstresses to be transformed into a first-class furniture collection that will enrich the world. Designwerk, born from a deep passion for craftsmanship, quality, and the perfection of forms.
